“ Family,

*So sorry for your loss and mine. She was like a second mom in my youth. So glad I got to visit with here in 2007 at Cheryl's. I love all of you and would like to hear from you. Circumstances kept me from attending the services but my thoughts and prayers were with all of you.*

“ Angie and Frankie, I was so sorry to hear about the loss of your grandmother. I had always heard nice things about her, from Connie Harris and her family. (I am Connies friend) They really thought highly of her and your mother. My thoughts and prayers will be with you in the days to come. Like my grandmother that passed a little earlier, they had a good, long happy life. We just have to remember all the good times that we shared with them. God Bless You All.##imported-begin##Carolyn Bowers Southern##imported-end##
