“ *I havent known papa for a long time but i've always thought he was cool because of how long he lived. I always loved going to his house and seeing the pictures hanging up and all the things he's collected over the years. I'm glad he lived a good long life and he will be very missed. He was an amazing great grandpa and he always was so happy to see everyone when they came to his house. He was very loved and will be missed very much. RIP Papa*

“ Getties also known as papa for me was my great grandfather. I remember building a tent with my dad for his firewood and I remember me and my sisters and my parents going over there and hauling a bunch of firewood into the tent just to keep him warm in winter. I remember thinking he was so cool because he had pictures of himself and his friends from the army and thinking he was so strong and nothing could harm him. I miss him even tho I only know him since I was about 5 and I'm 11 now. But I miss him. RIP papa 💖🕊️🕊️
