“ Gladys was like a sister to me. We had a special relationship that was built on trust and love. We had many adventures and fun times together. Our families were as one and remain that way. Our beach, lake trips and our special times together are such precious memories. Tammy and Tina you know where I am and that I will always be there for you. I will miss Gladys because I loved her so much. A friend like her can never be replaced. Prayers have and continue each day for you both and families. She loved her family. Love, Jewell
