“ I remember being at Gladys' house a lot of Sundays growing up. She always knew how to spread the table for Sunday dinner. She also took care of me at the hospital after my first son was born. Special lady and she will be missed greatly. Prayers for all the family now and in the days ahead.

“ I do volunteer work at Carriage House and almost on a daily basis I visited and prayed w/her. without exception her total conversation and everything about her was totally in praise to God. She told me on Thursday she was so ready to go "home" and wanted God to take her....she was such a blessing to me because she never complained but always thanked God for her life and how good He had been to her. She is basking in His presence today and no longer suffering...how beautiful is that and the promise we can see her again one day. We will miss her singing "Moses led God's Children"

“ I am so sorry for your loss. Gladys was the sweetest little lady. I have certainly enjoyed my visits with her at the Carriage House. We always had a good time talking about the Lord and spending time in prayer. May God wrap his loving arms around each of you with his comfort and peace.
