“ Once upon a time I made Mama and Daddy Lawson so angry that it's a miracle they ever forgave me (though Daddy Lawson claimed he had at their 65th Wedding Anniversary \*smile). But even then, I always knew they loved me - and I loved them. I've spent a long day today traveling along that memory highway. I will certainly miss you, Gladys. Thanks for being my 'second Mama' all those years ago... wonderful memories of your household filled with love and laughter. And thank you for forgiving what a 15 year old thought was the most romantic thing in the world. I love you. Judy
