“ Johnny and Kelvin, you are in our thoughts and prayers at this time of sorry in your life. As Kelvin always says we only see each other when someone passes, we need to get together at other times also.We are still family and we will be thinking of you in the days and weeks to come. I still miss mama and daddy, I want to call and talk to them everyday, several times a day like old times, now I ask Jesus everyday to plant a big kiss on each of their cheeks and tell them how much I love them.##imported-begin##Diann Wofford##imported-end##
