“ My mother and I shopped at Greenville Feed and Seed since I was a young girl. I got my first horse in 1977 and she was boarded at The Hitching Post on Congree Rd. Gordon had all our needs there and if he didn't he could order them for us. One week during the summer I helped out in the store when an employee was on vacation ... it was a blast. Gordon treated me like a little sister always ready with a hug! As an adult I always knew where to get the best service, say hello to Dobin, and pet supplies I needed for my growing families various pets. On one snow day Gordon even arranged for Lewis to deliver dog food to our home on his way home ... talk about going the extra mile!

Gordon was indeed a special person, very kind and always greeted me and my children with smiles!

I am so very sorry to hear of his passing. He was a blessing to those that knew him and heaven is a little brighter now!

“ My heart breaks for Gordon's family! I have such fond memories of him and his dog red Doberman Trapper. This was back in the mid 70's. I was in high school and worked for Dr. Creel next door to the Feed and Seed. Gordon was so very nice!!!

“ Gordon was kind and tender hearted. Many years ago I would visit him at his Lawn and Garden Store in Greenville when I was delivering pottery to the Art Museum. It was always good to visit him at reunions. I will miss him. I hold all the Young family close to my heart. You will be in my mind and prayers.
