“ Condolences to the family whom we’ve grown to love like our own. We are genuinely sorry for your loss. We know how you love each other. Prayers for you all.

We loved Greg very much. He was a mentor and friend to both Bob and I. We were fortunate to have had the opportunity to know and love him and Ms. Martha. He was a a Godly, good, honest, loving man. He worked tirelessly for his family, church, and the town. He brought us to our church family.

Every time we saw each other we greeted with I love you, and said goodbye with I love you. I hope he really felt all of the love I had for him, I had no doubt of his.

We have lost a exceptional human being.

We are in NJ and cannot be at the services and we apologize. We wish we could be there to support you. We love you all. Ms. Martha we pray for your healing as well.
