“*Mr. Gregory Jones was the kind of person anyone would be blessed to call a friend. He treated people like they mattered, and his warm smile could brighten any day. Every time I visited Mutts Barbecue, I always asked, "Where's my boyfriend?" and his face would light up with that unforgettable grin. It won't be the same without him there. I will miss him, but I will never forget him. Rest in peace, my friend. You were truly one of a kind. ❤️*

“*I was very saddened to learn oh Greg's death. He was a very nice young man and loved by everyone in our family. He was in and out of our house often with my son and was always welcome. Greg had such a sweet attitude and was always a pleasure to be around. I'm sure he will be missed tremendously by those who were friends and family. Greg was very well thought of and loved much. I'm sending prayers for all for comfort and peace to help get through the pain of sadness and grief in the days ahead.*

And even though I haven't seen him in many years, Greg was such a good friend in high school and always kind. I will always remember our days growing up in the Cape and the car rides home from school. Rest in peace my friend.*
