“ It was truly a pleasure to meet Mrs. Greta and an honor to be a part of her care team. My thoughts and prayers are with the family during this difficult time, especially Toby as she took such wonderful care of her Nanny, up until the very end.

“ Mrs. Leopard was good to me when I was a boy. She would tease me. I would pick up bottle for money. She would say hammer head you brown bagging. Later in life Mr. Wood and my grandmother were good friends. They lived beside each other. Until his death. She was fantastic. Talmadge Russ. (Hammer Head)
