

Gretchen K. Roth

September 26, 1954 - January 8, 2021

Gretchen Krusa Roth, 66, passed away January 8, 2021.

Born in Southside Hospital, Bayshore, New York, a daughter of the late Paul K. Roth, Jr. and Barbara Burr Roth, she was most recently an employee of Prisma Health Care Marshall Pickens. She worked for several years at the Greenville County Detention Center and North Greenville Hospital. Gretchen loved animals, Halloween, cruising the Caribbean, and her friends.

She never met a stranger and was one of the warmest, kindest, most genuine people one could ever meet. Gretchen touched many lives professionally and personally, and she made the world a better place by just being in it.

Surviving are one brother, Peter M. Roth (Carolyn) of Arizona; one sister, Deborah Roth of New York; one niece, Kim Roth of Arizona; two nephews, Steven Roth of Arizona and Branden Roth of Maryland; special friends, Anita Holcombe of Greenville, Barbara Sanders of Greenville, and Cheryl Solesbee of Mount Pleasant.

No service will be held at this time due to the current pandemic, but a celebration of her life will be held at a later date, when it is safe to do so.

The family is at their respective homes.

In lieu of flowers, donations and memorials should be made to the charity of one's choice.

“ *I am deeply saddened by the loss of Gretchen. She and I became friends when I came to MIP in 2012. Gretch lived life to the fullest and made others laugh simply by being present and with her infectious laugh. One of her favorite places to eat was iHOP after work. I smile when I think about how much she loved their French toast. The quality I will remember most is no matter where we went Gretchen never met a stranger and someone would inevitably end up sharing their life story. Dance in the heaven until we meet again my friend. Love you Gretchie Gretch!!!* ”

“ *There's so many memories of working with Gretchen. She was not only loved by her co workers but the patients loved her. The last time I seen Gretchen was at Dollar Tree. I tried to play a trick on her but she was so use to my craziness I couldn't trick her. I told her I that I was coming to see her but now it is too late. But she was a very special person. Never to be forgotten.*
