“ What can I say? She was the best mother anyone can ask for. A very loving, sweet and kind soul. Everyone that had the honor to meet her knows that she was the life of the party, always making people laugh. Extremely hard working woman, I never met anyone with the same energy as her. I will miss you so much mommy, until we meet again... Fly high mommy ❤️🕊️

“ The best mom in the world. Not even i can be it. She always taught me and my sisters to move forward and face any obstacles, but always with a smile at the end. Now i will miss her voice audios and her calls everyday asking me what i want to eat for breakfast. Thank you mommy for everything, fly high angel.

“ My mother was the greatest person on earth, she always worried about me and my sisters in a way nobody ever will. I remember I would always get a text message from her asking if I made it to work safe and she would call me everyday at least 3 or 4 times just to talk about anything and everything. Her grandkids meant the world to her. Every Christmas she would make it special for them and that made her happy. I will never forget her beautiful smile and the way she laughed. Fly high my beautiful guardian angel. I will see you again one day.

“ *My sister-in-law was such a beautiful person. The smile (just as in the photo) was what lit up a room from the first time my brother introduced her to our family. She hugged all of us that day and every time we saw her for many years to come you were gonna get a hug and a smile. We will miss those hugs and always remember that smile. Gricelda Tucker made the world a better place. Joe you and the girls be proud. I love you all just as we all did her. -Chuck*
