“ Our hearts ache for you with each beat. We all miss you beyond  
belief already. You were the BEST Daddy, Papa, Husband and  
Daddy-in-law on this Earth. What will we do without you??? All we  
can do is go on secure in the knowledge that you are in a wonderful  
and happy place. And we all know that if there is a maintenance  
crew of any kind up in Heaven whether its ceiling fans, furnaces or  
water lines you're headin' 'em up right now(smiles) We all promised  
you a long time ago, that if anything ever happened to you that we  
would take care of your babies, well I am promising you again, that  
all of your babies will be taken care of to the best of our abilities.  
You worked hard all of your life, now it's time to rest. We love you  
Daddy.###imported-begin##Nancy Sprouse###imported-end##

“ Evelyn, Nancy and Ricky, I am so sorry for your loss. Guy was a good man! I can remember being little and he was the kindest thing that could make me laugh. Even a few weeks ago when Nancy told me that he still remembered my nickname I was in shock. Pa always called me that no matter how old I got. My thoughts and prayers go out to you all at this time. He will be missed. God Bless you all!###imported-begin##Rhonda Underwood##imported-end##
