“ We were so sad to hear of Hal's passing. We have known Hal since we came on board with ASI in 2005. He visited our office in Opp, Alabama to make our conversion went as smooth as possible. Over the years, if we could dream it, he could make it happen. He was always so pleasant, professional and a super nice guy. We will miss him and we will be praying for his entire family

“ Dear Family, I am sorry to read about Hal's passing. I worked at the Inman-Campobello Water District in Inman and he came from Associated Systems several years ago to write billing programs along with other programs for the water district. He was such a good guy. I will remember you and your family in my prayers.

“ This photo of Hal reminds me of when I first came to work for ASI over 30 years ago. Hal and I shared an office in a little small building on Jervey Ave. in Greenville.  
Hal was always full of himself and he loved to sing along with the radio (off key and all).  
He would make me laugh soooo much going from one thing or another. He was a great friend. He will truly be missed.... Dan
