“ I loved Hallie Rae as if she were mine. On Friday when I came to visit, she acted like she was elated to see me and when I picked her up she rubbed my face. That is how I want to remember her, but to her family, my second family I want to say may you have peace in your hearts knowing Hallie is no longer suffering and is with The Heavenly Father and we will all see her again one day. She will keep watch over us now and we will always remember her sweet smile. I love you all.
Love, Hallie Rae's Aunt JU JU
