“ I spent a very large part of my life around Hansel Phillips. I learned an awful lot from, most of which was good. He was one of my best friends and I will never forget him. The world has lost a unique person and will never see his like again. Thank you Hansel for everything. Wilma and the rest of the family are and will continue to be in my pairs. If there is any thing I can do for you don't hesitate to call.

..... Sincerely, Bill Swartzel

“ My deepest sympathy to his family. I know he will be missed by his wonderful family. I knew him when he famed houses for Windsor/Aughtry company. He worked along with Kenneth Fowler and he loved Hansel. He loved putting up drywall after Hansel because he was the best.
