“ Dear Barb, Karen, Kathy and families,

We were so very sorry to hear of Harley's passing. He was a presence in both of our lives and one who we thought would always be there. There must be such a void in all of your hearts that will never be filled. We were so very glad to see you last year at the Memorial Day Parade. What a treat to see such long time friends. We're so glad we got a chance to visit one more time. Again, our thoughts are with you,
