“ Dwayne, Alicia, Rebecca, and Caroline these last several months are absolutely unimaginable and hard to comprehend. I can not begin to find the right words without jumbling them. I'm just going to speak from my heart. May you know that God is by your side, and May you feel His deep tender love with you every moment of every day. We love you and have been and will continue to lift you in our prayers. Brownie was a good and faithful man, and I never heard anything but kind things about him. He was honest, fair, hardworking, and took pride in his craftsmanship. God blessed him with a gift and a talent, he had carpenter hands, just like Jesus and I'm sure Brownie used that one way to witness to others and also his character and integrity, reputation was another way. He talked the talk and walked the walk. You could see that at the golf course, at the ball fields and at the Greer games. He will be missed by all that had the privilege to know him as a personal friend. Peace be with you and your family.

“ Harold or as his classmates called him Brownie will be missed by our class. He was our guy that wanted to hang out with his classmates. He was always ready to go eat. He and Athalee were constantly together People at Northwood called she and I by the wrong name a lot. They were brother and sister to me.
