“ Carol and family: Geneva and I would like to express to you our deepest condolences in the death of Harold. Though I met Harold only a few times, I did enjoy the times I did get to talk with him. I tried to get him to taste some "coffee punch" at the church Christmas banquet in 2016, but he declined for "real" coffee. Anyway, please know that we love y'all and we are praying for God's grace to be more than sufficient for y'all. Julian and Geneva Galloway.
