“ My name is Sue Brown from East Bend, NC. Martha Hix was my first cousin once removed. Harold and Martha visited with us many times on their trips to East Bend and I always looked forward to their visits. Harold always seemed to be very concerned about martha and I feel he was a very caring and humble person. I had a lot of respect for him. I hope he did not suffer pain, and he was at peace as the end of his life approached. May each of his loved ones feel PEACE in knowing that he is now with his Lord and Savior, in a better place.

“ Harold was one of the dearest men I have known. He started work at Alexco April 23rd 1984, one day before i started. He and I hit it off from the start. We were always buddies. he attended my wedding and knew my precious daughter from birth. Harold was one of a kind and my heart breaks today knowing he is gone from earth but rejoices in the fact that he is now joined with his heavenly father and with his dear wife Martha. Harold will always have a special place in my heart. I loved him dearly.
