“ We will miss you so much. It will not be the same without you but we know you will always be with us in our hearts and thoughts. One of my favorite memories of my Uncle Bo was when I was about 8 years old and spending the night at the house. He told me that I was going to explode because I swallowed a BB (why Lynn, Jeff & I had BBs in our mouths jumping on the bed is a mystery). I cried so hard Mom had to come get me. He always was telling us something like that and it was such a joy to watch him continue to tease his grandchildren and great-grandchildren. Much love!!
