Harriet was a saint. She had a pleasant disposition even though she encountered many obstacles in her life. Her faith in god always carried the day. Her divorce was the most contentious legal matter I handled in my 51 years of practice

I have fond memories of Harriet. We were staff together at Bell's Crossing Elementary. She was such a kind and caring soul. One of my favorite memories was when she borrowed a Halloween costume from me and was a hippo for an act we were in for the Teacher Talent show.
