“*Harriett and I taught at Thompson High School for many years. She was a dear friend, professional peer, and a beloved teacher. She will be missed by staff and students. I believe that her wonderful skills of relating to students and keeping them interested in English and literature made a big difference in many lives. It's hard to say good bye to someone so dear, but we must remember to celebrate her good life.*”

“*I'm very saddened at the news of Harriet's passing. My condolences, prayers and thoughts go out to Joe and the entire family. I was with Joe when he first met Harriet, he fell for her immediately and told me, "if we weren't traveling together he would not be going back to Greenville". As soon as he dropped me off at my home, Joe loaded his car and returned to Birmingham. Very shortly afterwards I was heading back to Birmingham for a wedding.*

Mrs. Garrett as I knew her was a teacher like none other, she is the very reason I graduated from high school, she believed in me and told me I could do it when I didn't believe in myself, I will always be grateful for her compation towards me. A wonderful teacher and person.

I knew Harriett as a counselor and liked and respected her. She showed courage in taking her practice to her home in Alabaster and I referred a dear friend to her for counseling. It was a good match and I heard that their work together helped my friend very much. Sincere condolences to her family. Rest in peace, Harriett. Vicki Farley
