“ *From Larry Burton and Family:
I'm sorry to hear that my last Aunt has died. She will be greatly missed. She was an outstanding person that took care of her husband and Doug, Donna Marie, and David. She did an outstanding job in everything she did. We absolutely love her and will pray for Doug, Dennis and Donna Marie. I'm so sorry I couldn't make it to visit, but I'll always remember when I stayed with her the last time and the great meals she cooked. She always showed so much love for her children and her family. I love and miss the whole family. Once again, I'm sorry I wasn't able to come. I know that Lewis and David will welcome her in Heaven.*

“ *I'm so very sorry to hear of your loss. My sweet husband, Alan Hughes worked with Harriette for years at Southern Home/State Auto. His love and respect for her was evident.
My thoughts are with you all as you celebrate her life. Know that she touched so many of her colleagues in different ways, but always with love.

“ Dear Friends,
How do I tell you what your Mom meant to me in my time at Southern Home. She guided and teased, sewed and cooked, encouraged and taught. Wow, what a lady she was. She loved Lewis and you kids and grandchildren with abandon. She loved the women she worked with and we loved her. My heart aches for all of you. The Bible says in Matt. 11:28, "Come to Me, all you who labor and are heavy laden, and I will give you rest." Your Mom is in heaven with Jesus, no longer having to toil in this life or worry. She is at peace and happy with her Savior, Lewis and David. God bless you all. May the peace that passes all understanding cover you with God's love. We will be praying for you during the services tomorrow.
Love to you all,
Happy and Larry Mayfield
