“ So sorry to hear about Harry's death. Harry and Larry were a class behind me at Taylors Elementary. I enjoyed talking to them on the playground before school started. I never was sure which one was Harry, and which one was Larry, but it was nice to know them. My deepest sympathy goes out to all of the family.

“ I have known Harry for 25 plus years. Always a kind person and loved talking about hot rods and trading parts. Only in the past recent years I discovered I was related to Harry. I'll miss you cousin
