“ To the family and friends of Harry Lee,  
I was saddened to see of the death of Harry Lee. We grew up together on the mill hill at Victor Mill and were good friends. It has been several years since I have seen Harry Lee but I have never forgotten him or brother Bobby. I didn't know that Bobby had passed away until I was looking on the internet and was reading of Harry Lee's passing and noticed that he was predeceased by brother Bobby. My condolences and prayers will be with you in this time of loss.
