*I am so saddened by the passing of dear Hazel. I bought lots of plants from her and also learned a lot from her. She was the hardest working woman I knew. I also had the pleasure of knowing Clyde working at Mitsubishi Polyester Film. Such a kind and gentle man. I miss friends like this but know they was prepared for a better place. Thinking of Clyde and family in sad times.*

*My Aunt Beanie was indeed a unique and a most amazing person. She had the biggest heart, My gosh, how she had a love for her family. Always bragging on her daughters, her children, and her great grandchildren. The love for her husband was undeniable. I'm going to miss her talks and learning about the family tree. She was a very smart lady, and a wonderful friend. I will surely miss her! Love you Aunt Beanie*

*With love Darlene Caldwell*
