“ *Elsie, Joe and I are so sorry about the loss of Ms. Hazel. She was the true epitome of a southern lady. We are so fortunate to have had her in our lives. I know what it is like to lose your mother. It is something you will never get over, but it will get easier with time. Know that God is with you as you deal with this, but more important He is with Ms. Hazel right this very second talking with her about her wonderful life and the legacy she left here on earth through you and Amy and Leslie and Aurora. Love, Alice and Joe*
