“ Seeing my Aunt Hazel's smile in this picture, I think about all the wonderful memories I have of staying with her and Granny Wrenn on Taggart Street in Greenwood. I'll never forget my first ride in a taxi to the new Nursing Home that Aunt Hazel help develop and run. She wanted me to come play the new piano for the residents. I was very nervous, however, it didn't take long before Aunt Hazel had a crowd gathered - laughing, singing, smiling and making me feel right at home. I thank God for these and many other memories that will keep my sweet Aunt Hazel alive in my heart.

I knew it wouldn't take Mother long before she told Hazel to come join them but we know Hazel did things her own way. Want to share a phrase I found comforting when my dear Mother passed:

"Weep but briefly for your loved ones as they enter into the Kingdom of God, for they shall possess a joy and peace that is unattainable on God's earthly realm. Rather, rejoice in their everlasting and total happiness, for their eyes have seen God."

*Love and prayers always,

“ *Stan and Claudia, We are saddened to hear of your mom's passing. It doesn't matter how old they are or how old we are, it's very difficult to lose a parent, but you must remember as long as you have your memories and hold her in your heart, she will never truly be gone. May you find peace and comfort in knowing she is in God's eternal care. Our thoughts and prayers are with you. Rosemary and Beth*
