“ I remember the first time I met Heath. Jr Duncan took me up to his dad's and we all hung out. Heath and I hung out a few weeks ago for the day and we talked alot about his Sydney bean and he really loves her. We had such a good time. I told him something personal and he ask me why I waited till now to tell him and I replied because we never are promised tomorrow. Be gave me a hug and giggled. Me heart is truely broken. He was a great guy. Heath will be missed but never forgotten. The family is in my prayers.
