“ May your family feel Gods loving touch and grace during this time of loss. Although you don't know me, I have been praying for your family, I only knew your mother/loved one for a brief time but during the time I was around her, she had a big heart that went with her big smile. She was sweet, kind, gentle and she spoke with joy about her family and friends. I wanted to share this with you and I hope you can find some comfort in knowing others care too.
Sincerely, Angie Ashmore Kruse Greer,SC
