“ Arnold, Patsy, Keely, Derren, and family,

We just learned of Mrs. Burrell's passing late today and wanted to express our deepest sympathies. Obviously, she had enjoyed an amazing life and had to have been so proud of her family. Unfortunately, it's so difficult to let go, even with so rich a life, so please know you will all be in our prayers. May God bless all of you.

*Sincerest Condolences,
Bob & Mary Brantley*

“ Dear Beth and Arnold,

Deepest sympathy in the loss of your precious mom, Helen. Memories are many, but I'll list a few here. Central school: my mother drove us to school, Helen picked us up. Or, was it the other way around? Playing cowboys and Indians with Arnold, Ann, and Margo. When Beth and I were the Indians, Arnold and Ann would tie us up and throw us in the ditch between our house and Margo's. Beth and I would protest and demand to be the cowboys. Arnold and Ann would tie us up and throw us in the same ditch. Training Union: Beth and I went together. I drove. Stacy's wedding at the Presbyterian church: I played and got to see everybody. Arnold and Patsy's daughter-(in-law?) sang like an angel.

Sorry I cannot be with you today, but my love and thoughts of comfort are. Let me know of anything else I can do from this end.

Love,
