“ To the family,
I am deeply saddened by the news of the passing of Helen. Woody & Helen were a big part of my family's life in the late 70's. Woody built my family's home in 1977 & he & Helen shared so many memorable moments in my life & marriage during this time and for many years after. Know that my prayers are with you & this is not the final event - "for the dead in Christ shall rise first & we who remain will be joined with Him in the air" - nevermore to part or to be saddened- we WILL meet again.

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4
