“ Aunt Helen,

This world was never your home. You've gone home to heaven where you longed to be.

You're home with the loved ones you longed to see. You're with the Lord Jesus a wonderful place to be . And oh what a sight to see.

You've passed thru the pearly gates, to walk on the streets of gold . To wear the crown that the Lord has made for you alone. And oh what a sight to behold the mansion that you will be dwelling in with the 1 True Love you never lost Uncle Dee.

You get to see all the loved ones like your momma and daddy. the brothers and sisters that you have lost and longed to see.

Yes we here on earth will lovingly miss you , but at the same time we will now be the ones longing to be there with you.

So in closing this last note to you Aunt Helen , if ya'll are looking down on the ones ya'll left behind, say a good word for us to the Lord , that we were ya'lls loved ones to watch over and keep us safe.

With Love.

Starla, Ralph, Brittany and Waylen

p.s. give my daddy Joe Ray and my ma Judy Kay a hug and kiss for me and tell them I love and miss them .

p.p.s Oh yeah and don't yall catch all the fish up there in heaven cause some day we'll be there in heaven to go fishing with ya'll.
