“ *If there are roses in Heaven  
will you send one just for me  
so I can hold it close  
to my heart where you will always be.  
I will lay it on my pillow each night  
as the Angels tuck me in and feel  
your presence once again.  
I am thankful for all the years  
you were there to help me through.  
I will always remember  
"My Precious Mother"  
whose love was honest and true!*

*In loving memory of mom.*

*She was a wife, mother, mother in law, grandmother, great  
grandmother, sister, friend, fun loving, strong, stubborn, sassy, and  
so much more. She is my shining star!!*

“ In June, 2005 families traveled to Stefani and Mike Donald's wedding reception in Aiken, SC. We all had a great time at the reception and particularly Aunt Helen and her sisters who had plenty to drink! After several hours of fun we all went back to the hotel and folks were calling it a night - but not Aunt Helen. There was a party at the hotel and she wanted to join in! I volunteered to take her into the bar room and dance floor along with Aunts Carolyn and Barbara. It was very crowded, lights flashing, loud music - the works. Well we couldn't find a table to sit at so we decided to make our way across the dance floor to the exit. I started walking and about halfway across the dance floor I couldn't see Aunt Helen. I looked down and there she was sitting on the floor laughing! She had lost her balance and fell down but wasn't hurt. Of course we got a lot of attention from the local's wondering - who are these people? We finally made it out to the hotel lobby area where we all had a good laugh.

*I truly admired Aunt Helen for knowing how to have a good time and always a good sense of humor!*

“ A memory that will last forever of my mother. Back when I was around 8 or 9 my mother sent me to Magnolia store to buy something for her. When I got to the store I bought what I thought she had asked me to buy. When I got home with the item it was not what she wanted. I had to take it back to the store and buy what she had asked for. Keep in mind the store was just a short walk from my house so I should not have forgotten what she had asked me to purchase. I think I had to make several trips because I couldn't remember what she wanted. The last trip home I had hamburger meat. Well, guess what...it wasn't what she wanted. She got so upset with me that she took the hamburger meat and threw it. It went up in the air and landed on me, my grandfather and the floor. To this day, I still don't know what she wanted me to buy. We laughed so hard, but I had a mess to clean up! Love you forever and always mother!

“ I remember well a time when I was in elementary school at St. Patrick's in Kennett Square. Well I was playing outside during recess and split my pants! How embarrassing! Well before I knew it I was instructed to walk down to my Aunt Helen's house just one block from the school. Aunt Helen met me and we went to her house where Mom had brought a another pair of pants for me to change into. I'm sure Mom and Aunt Helen had a good laugh when I went back to school but I was comforted and taken care of by Aunt Helen. I will never forget the comfort and kindness of my Aunt Helen.

“ She made the best neighbor that anyone could ask for, I remember when we moved in the house I was clearing wall paper and many nails that were from old places that the owner had hung pictures, she and Jim teased me that when I did that their pictures fell to the floor as they were using the nails that were on their side from mine, (thin walls). We laughed about that for a long time. I will miss her even though I have not seen her only on Facebook since they moved to SC but she was a part of my life and I am so glad that God put her there when I needed her. Love to the family.
