“ *Helen was such a beautiful soul. Her presence would light up a room. So kind and loving. I only knew you for a short time but the impact you made on my life will be with me forever. I will miss everything about you. I know you are shouting and whole again, no sickness, no pain, no sorry, no more yearning to be with your husband. Thank you for everything you were to me. I will love you forever and until we meet again fly high beautiful.*
