“ *I send my sympathy and prayers to the Jordan Family. Helen was one of the first people I met when I went to work as secretary at East North Street Baptist Church. She became a dear friend. We spent many days in the church office together. Down through the years I have thought of her often. May God bless each of you.*

“ *We will miss her. I remember when Marlou was helping to paint the inside of the house and Helen and Gus painted Andrew's room red. And ending up having to put 4 coats on there. She was not a happy camper. But we loved her and your family so much and think often of you.*
