“ Sonny, Danny, and Karen, I remember our childhoods with happiness at "Uncle David and Aunt Toots" house. It was such a fun childhood with our cousins and Aunt Toots. She was such a gem and I will cherish my memories of her. I hope that you will find comfort in knowing her final place in Heaven with Jesus. So sorry we are so far away and could not attend the service. We love her and you all. Susan Black Kendall

“ Dear Family,

Please know that I am praying for you and was so saddened to hear of Helen's passing. For many years I have gotten to see her beautiful smile at church and in the Gleaner's Sunday School Class. She would always talk about how much she loved each of you and specifically lift you up in prayer. I also was blessed to get to see her at Bayberry. I am a member of the Camellia Garden Club in Greer and we would go quarterly and have events for those at Bayberry. One of the most exciting times I can remember is when we released Monarch Butterflies in the garden there. She was so excited and said she didn't know they were so pretty and big. When we released the last ones, she told me one day she was gonna get her wings and fly right up to heaven higher than the butterflies. She was so right and I know that is exactly what she did. God bless you and all and I know Helen is smiling down on all of you today. She loved you so much.

“ To The Pittman Families: We are sorry to hear about your mother’s passing. She was truly a blessing to everyone that had the privilege to know her. I can still remember seeing your mom and dad sitting on their chosen pew at Grace UMC, because you could look over and see my mother and daddy sitting right there across the aisle on their chosen pew, once mother was able to sit with daddy after she retired from the organ. Your parents were always so kindhearted and loved their family, you could always see it in their eyes and faces when they mentioned something about one of you. May you feel Gods grace, mercy and love during this difficult time and we will have your family in our prayers.
