“ Rhonda, Kenneth, and Mrs Forrester, I am sad to hear about your daddy. I loved him and I have so many fond memories of him. He never understood why you wanted to ride around Greer with that silly Landshark on top of your car. He was a good man, daddy, husband, grandfather, friend to many and I know he is going to be missed by everyone who had the privilege of knowing and loving him. You are in my thoughts, prayers and hearts forever my dear friend. I hope we can get together because we need each other like we always did in those schooldays memories. May Gods grace, mercy and peace give you strength and comfort during these difficult times. God be with you and your families. I love you all.
