“ *Herm, as many called him was a wonderful man. Since his sister was my Aunt Nell, in my child's mind, that made him Uncle Herm, just like Uncle Buck. Sue and Jan will always be my cousins. One of my best memories will be of me and Herman having a Marguerita together watching everyone dance at his grand daughter Lauren's wedding. He turned and looked at me and said, "I should have found out about these sooner." It was a good time. The Hudson's and Byar's families have been intertwined for decades. My heart is with you all. Love, Raynette*
