“ *To all of the family, so sorry to hear about the passing of Bro. Litchfield. My brother-in-law Ralston and I were talking about him a few days ago. I can still see him greeting us with a smile at the front door of our church. Matthews Tabernacle. Just a smile for the family, I always think of him when our time changes. One Sunday just as it had changed I didn't get to church at the right time. With a big smile after church he told me how I could remember. Spring forward and fall backward!! Thanks Bro. Litchfield. Love and prayers to all of the family.*
