“ IN MEMORY OF MY GRANDFATHER

*You are remembered by each passing day  
In our hearts and soul for you we pray.  
Looking back to the days I woke up to you  
And to the days you spent with me to.*

*I'd run to you, and sit on your knee,  
Rocking in the chair, was just you and me.  
With you I always went along for a ride,  
I sat by you, right by your side.*

*You would hold my hand, and give a good night kiss.  
These days remembered, I will always miss.  
Sometimes as I remember you, I beg and I cry,  
Wishing that you would have never died.*

*But as the days go on, for you I will pray,  
And remember you by each passing day.##imported-
