“ To the Stringer family,

Please accept my condolences for Heyward's passing. I was honored in knowing Heyward for nearly three decades and helping him fight many legal battles, especially helping him get his disability from Social Security. I found him to be a very honorable and sincere person on whose word you could always count. May the Good Lord rest his soul and may his memory be eternal to his family and all the people who knew him.

“ I just wanted the family to know that he was the Grandfather I never had. My own children knew him only as Papa Stringer at the shop. He always treated me as one of the family, just as you all have. We will miss him very much. We will pray for you all. If you need anything please let us know. With all of our love.
