“ Very sorry to hear of Hjalmer's passing. We were fortunate to meet Hjalmar and Elmi shortly after we purchased Monticello here in Rindge. We have tried our best to be good stewards of the many memories of the Aho family here. Jeff Norby helps to keep us in line. To Jeff Aho - your signature still lives on the concrete under the addition. The barn still echos of the trampoline. Remember the barn cupola. Keep the memories alive. Pass them on in stories. Our best wishes to the entire family.##imported-begin##Jim & Peg Critser##imported-end##

“ *Hjalmar was a great man that I had the pleasure of knowing. Even though we were not blood family, he made me feel as if we were.*

His kind smile and easy going manner is going to be missed.

He is now free of his earthly limitations and again dancing with the love of his life Elmi again in heaven. Victory is his.
