“ *For as long as I can remember, when I've thought of Chantilly Lace, it's not Big Bopper's voice I hear singing it, but Hobarts. He always made me laugh - even in his recent suffering he still had a sense of humor. He passed that humor and positive outlook on to his family. A big personality like his is never gone - I know you'll feel his presence for the rest of your lives. Rest in peace, Hobart. Thinking of your family.*

“ April, I will continue to keep you and your family in mind as you go through this stage of transition. It's so tough to loose a parent, and being as close as you were, even tougher. Hold tight to those wonderful memories and take comfort in them. Condolences to all of your family too.

“ *Hobart was The Brother I never had and my Best Friend. We worked together for years laughed and ATE together sometimes reordering a second lunch because one hamburger steak , gravy and onions, hand cut fries and salad just wasn't enough. Blessings and GOD'S comfort to Evelyn, Hobie, April and the Whole family. I Loved him and will Miss our talks Together.*

Hobart was an outstanding gentleman and protector, in his military and civilian service.
I have not talked with him in years, but never forgot this gentle giant.
My heartfelt prayers are with all of the Lewis family and friends.
