“ I grew up beside Gene and Mary Jo on Coleman Court, and thought the world of both of them. I was very shocked to see his obituary, and very sorry to hear of his passing. He always showed me attention as the little kid next door. I remember him especially when he was on active duty. I was about 6, and I can still see him in his uniform. I was so impressed. I share in your grief. My thoughts and prayers are with you in your loss.
