“ Dear Edna, Donna, Danny, David, Damon and Grand Children,
Gail, Kenneth, Randy and families

Judy and I are so sorry for your lost and we extend our deepest sympathy to each one of you. Venson Arms was a good man and a great friend. I shall always cherish the good times and many laughs he and I have shared for more than a half century. In our very long friendship I cannot remember a time that Venson Arms and I spoke any unkind words to each other. There is one thing however, that sticks in my mind. At the funeral of Judy's brother Harold, after the committal service at the cemetery Venson and I were talking and as he shook my hand he looked me in the eye and said to me, " I want you to know that I have always appreciated you." That kind of love and friendship means so much to me and I shall always be grateful for Venson Arms, his friendship and kindness.

May the one and only God, the One who knows every hair on our head, Who knows our every heartache, Who walks with us through the valley as well as on the mountain top be very near to each of you. May His strength and AMAZING GRACE comfort you today, tomorrow and every day. May God continue to bless and keep you and your family within His loving kindness and care. Remember God has not forgotten you. Know that He's always with you to provide His peace and love always. We are told in Psalm 145:18 The Lord is near to all who call upon Him.....

*Love Always,
