“ *My deepest and most sincere condolences to the Redmon family (Evelyn, Debbie, and Bruce). Cotton was a positive influence on my life for several years during my high school and college days, and I always had the utmost respect for the way he conducted himself as a husband to Evelyn, a father to Debbie, Pam and Bruce, and a friend to me and others.*

*Cotton was a family man, selfless, very caring and one of the hardest working persons that I have known. He always conducted himself in a positive manner even when it was obvious he wasn't having a great day, and was always willing to help out no matter how busy he was at the time.*

*I know that Cotton will be missed by many, and I will always have fond memories of the years that I got to share with him and his wonderful family.*

*My wife and I both pray that the Redmon family will be able to get to a better place in time very soon.*

*Regards,*
