Mr. Hoyle Brown was a wonderful man. I had the privilege of working with Hoyle at Michelin. He was a true man of God and always when he had the opportunity shared his word. Hoyle was a very wise man and took me under his wing when I was in my 20's. He helped guide me and helped me understand what was really important. I loved Hoyle Brown and will always be thankful for the years we got to work, fish and hunt together. I miss him all the time and we still talk about all the good times we had with him at Michelin. I always said I was blessed with a great and wonderful Dad and Mom to raise me and was fortunate enough to have what I considered another wonderful Father figure at work to help guide me. I will always think of you and remember all the good times. Miss you my friend.
