“ *So sorry to read of your Mama's passing.
She was a strong lady....I can't help but remember almost 30 years ago when I was a 'young' OR nurse... Your Mother was in a bad car accident and everyone thought she that was the end of her life....But against all odds she came through that long, hard surgery...It wasn't her time...
Your family will be in our thoughts and prayers....

“ *Dear Gene,
Well, Our Heavenly Father allowed your dear and precious Mother
to be with your family for a very long time. There are few families
who have parents so long. But, you have always been blessed with
a loving and extended family, and with friends who love you as a
brother. No reason to be sad now, "Mama" is home.
Please extend our thoughts and prayers to the rest of the family.
Your Brown Sister and Brothers.##imported-begin##Alton
